Advanced Level Certificate (A2 Diploma)

NESA | Kigali, Rwanda | January 2017 - August 2023

Combination Courses: Mathematics, Physics, and Geography

Grades: 60/60

WORK EXPERIENCE

IT & Web Support Officer

Raise Them Foundation | Kigali, Rwanda | April 2024 - Present

- Provide technical support for staff and partner organizations by troubleshooting system issues, managing user accounts, and maintaining smooth operations of RTF's digital tools and platforms.
- Maintain and update internal databases, ensuring accurate and organized records for programs, staff activities, and partner reporting.
- Develop simple dashboards, spreadsheets, and digital templates used for planning, documentation, and monitoring program activities, contributing to improved efficiency in day-to-day operations.
- Support the organization's web presence by updating website content, fixing minor technical issues, and ensuring information is accessible and up to date.

Data Manager

Cooperative KAJU | Eastern, Rwanda | January 2025 - Present

- Collect, verify, and update daily operational data including seedling production, distribution records, cooperative properties, and resource inventories.
- Build Excel sheets, digital forms, and simple dashboards used by field teams to record activities more accurately and streamline data flow within the cooperative.
- Track distribution progress, generate weekly reports, and provide insights that help guide planning, outreach activities, and community impact monitoring.
- Manage beneficiary data for communities receiving seedlings, ensuring clean, reliable, and well-organized information that supports government and NGO reporting requirements.

Marketing & Outreach Chair

African Leadership University | Eastern, Rwanda | September 2024 - October 2025

- Led awareness and outreach activities by guiding students on how to use Microsoft Office, Google Workspace, and essential digital tools, helping build strong digital literacy across the community.
- Designed easy-to-follow tutorials, manuals, and learning materials that supported independent learning and reduced the number of one-on-one support requests.
- Collaborated with faculty and student leaders to coordinate events, improve communication, and ensure smooth delivery of learning activities and school initiatives.

Teaching Assistant

Inspire, Empower and Educate Rwanda | Kigali, Rwanda | December 2023 - July 2024

- Assisted teachers by recording and organizing student marks, attendance, and assessment results using Excel, ensuring accurate and well-structured academic data.
- Supported classroom activities and provided guidance to students, especially those needing additional help with digital tools or academic tasks.
- Collected feedback from participants and contributed to evaluation reports that informed program improvements and operational planning.

COMMUNITY LEADERSHIP & VOLUNTEERING

Co-Founder & Leadership Council Member

Raise Them Foundation | Kigali, Rwanda | April 2024 - Present

- Co-founded a scholarship program with 6 team members and developed fundraising strategies while building partnerships with schools, donors, and community leaders to sponsor 2 high school students annually with full tuition, materials, and mentorship.
- Manage program budgets, financial forecasting, and resource allocation while preparing quarterly reports on program activities and financial utilization for stakeholders.

Co-founder & Shareholder

Cooperative KAJU | Bugesera District, Rwanda | January 2019 - Present

- Founded and mobilized 40 cooperative shareholders to expand fruit and tree seedling nurseries, working with local authorities and NGOs to establish sustainable environmental, nutrition, and climate-action programs that support vulnerable families across Bugesera District.
- Trained the communities in gardening techniques, crop management, and nutritional meal planning while maintaining records of program activities and impact metrics for community leaders.

AWARDS & RECOGNITION

- **Teaching Assistantship Project Program Alumni** | 2024 Completed an intensive national program of inspiring, empowering and educating students especially female in science subject, the program led by Rwanda Basic Education Board and IEE Rwanda in partnership with Mastercard Foundation.
